## **Jun LIU**

**Senior Manager**

**Senior Patent Attorney**

**China Supreme Court Appointed Attorney for  
Patent Litigation**

Mr. Liu is a senior manager of Beijing East IP's Japanese and Korean Division, primarily responsible for the firm's patent matters related to Japan. Mr. Liu is a senior patent attorney and a litigator who primarily focuses his practices in electrical related fields before the State Intellectual Property Office (SIPO), the Patent Reexamination Board (PRB) of SIPO, and the People's Courts for patent prosecution, invalidation, reexamination, appeal, and litigations matters.

Mr. Liu joined Beijing East IP in 2003 and has since handled numerous patent application, reexamination, invalidation, and litigation matters. His devoted efforts and diligent works has earned lots of praise from our Japanese Fortune 500 corporations, and Chinese domestic corporations.

Mr. Liu was promoted to as the division manager in 2011, responsible for division case management, review, Japan business development and client relationship management.

Mr. Liu speaks fluent Japanese and English.
